Here it is, the 2015-16 Junior Alibi!

As you look back through these pages, I hope you will be reminded of all the fun you had, and all the amazing things you accomplished, over the last school year. The time seemed to fly by, but the pictures you will find between these covers will bring back the many, many activities that filled our days together.

From Camp Day in September until the Year-end Celebration, your teachers recorded the action. Mrs. Lindsay-Sonkin and the Year Book Committee worked very hard to bring those images together to produce this memento for you. As much as you will enjoy looking at it right now, it is in the years to come that you will truly come to appreciate the magical time we shared together.

Each year we spend together in the Parrott Junior School and the Early Primary Learning Centre is a gift: I hope you enjoyed the year as much as I know your teachers did. I, for one, am very grateful to the teachers, staff, students, and their families, for allowing me to be a part of this very special community for the past year.

**Sofya Akopova**

I can in Grade 4. I did not know how to speak English. Thanks to my teachers because I know how to speak. My favourite memory is when I went for the first time to Canada's Wonderland! Thank you to all my teachers. I love you Junior School. Bye.

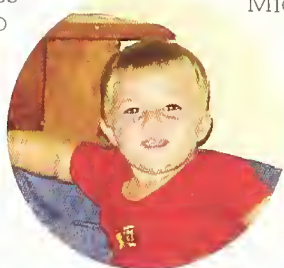

**Tianna Dyer**

7 years has gone by very fast! The last 7 years were the best years ever. My favourite field trip in Grade 6 was Camp Kawartha. The camp trip was very fun. Thank you to all teachers and principals for the best years of life. Good luck to my classmates who are leaving Albert College. Goodbye Albert College Junior School.

**Jacob Elsayegh**

Well to start, my four years at Albert College have been awesome!!! I'd like to thank all my teachers who helped me get to this stage. I will really miss A.C.J.S. and I look forward to A.C.M.S. Sayonara A.C.J.S.! Hello A.C.M.S.!

**Tess Friar**

Albert College Junior School has been like a second home to me. I have been at the Junior School for eight years and loved all of them. I am looking forward to all of the Middle School adventures. Camp Tamakwa, the skiing trip, tree top trekking, and many more. I am going to truly miss the Junior School. Goodbye!

**Liam Joyce**

Thank you so much to the teachers of the Junior School. You have taught me everything I know. A big thanks to Mr. Fraser. He has been my coach for so many different sports. Also thanks to the kitchen ladies. They have made me glorious food almost every day for so many years. My last words to the Junior School are "see ya later, alligator."

**Trishna Krishantha**

Albert College Junior School has taught me so much. I've only been here since the beginning of Grade 6, but I have learned so much and experienced more than ever before. My favourite part of the year was when we went to Camp Kawartha, because I learned a lot about nature and survival. Even though I haven't been here for long, I've had a lot of good times and will miss the Junior School a lot.

## Liam McWhinney

My favourite memory of the Junior School is Canada's Wonderland in Grade 5. This is my favourite memory because Tenzin, Liam J, Sydney and I all went together and had a lot of fun.

That day was my first time on the Leviathan, and it was very fun. That is what I will always remember the Junior School by.

## Rhiannon Lortie

Eight years, eight years of the best, most exciting times of my life. Throughout these years I have made so many new friends and unforgettable memories. From laughing with my classmates to learning with the teachers. I will never forget the amazing staff that taught me to become a more confident person.

## Ella McMahon

I can't believe I'm going to the middle school. There is so much that I'll miss about the Junior School... I can hardly name it all! I've been going to Albert

College for eight years and I don't think I could ever go to another school. Thank you so much to Ms. Semple and Ms. Bishop who prepared all the food at

the Junior School. Also a

big thanks to the teachers who taught me

everything I need to know. I would

like to be

remembered by

my love of art.

Goodbye Junior

School!

## Jack Rodgers

Thank you for all the great field trips and amazing opportunities. One of my favourite memories was in Grade 6 when we made cardboard airplanes and we flew them in the gym with an egg in them. I will miss the Junior School.

## Sydney Schmidt

I have been at Albert College for eight years. During those years I have met and said goodbye to lots of friends.

Although I am happy to be moving on to the Middle School, I am sad about having to leave another friend - the Junior School. I am going to miss all of

the teachers that have taught me so

much. I am sad

about leaving the

Junior School, but

I am happy

about moving on

to the next chapter

in my life.

## Andreas Steinitz

After 8 years I can officially say the Junior School is awesome. From fun teachers to awesome field trips, the Junior School has it all. I will definitely miss the Junior School and all its opportunities and adventures it holds.

Tenzin Tendhar

I have been in Albert for the last three years. Oh how the years have flown by! My favourite memories were the days when we went to Canada's Wonderland. I loved heading on the rides with my friends. Heading into Grade Seven will be a new adventure, a new journey. Times change, we can move along, or stay in one place. Ha.

Tara Winter

Since Grade Five, ACJS has always been my home away from home. I will always remember the fun times I had at ACJS.

Dara Younes

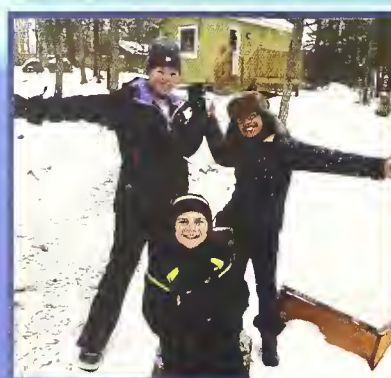

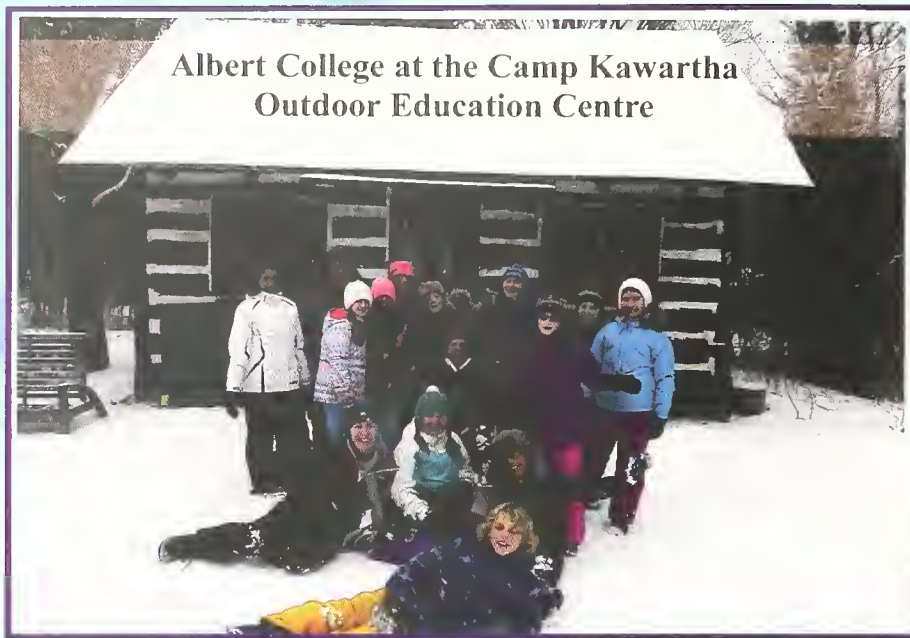

I have been at the Junior School for 3 amazing years. I have loved it so much. Although I am looking forward to going to the Senior School, I will miss the Junior School so much I will never forget the first day I got here and all the students welcomed me with big arms. I will miss the Junior School and I know it will miss me. jk Live, love, and laugh
